

2018-19 Yearbook

Friends and Family Ads Order Form

As is tradition, the Etna High School yearbook includes a section for parents, family, and friends to leave special messages (“ads”) for graduating seniors. These ads cost \$20 each (\$15 Early Bird Special) and include ONE color photo and ONE message (up to a TOTAL of 50 words). Often the photo is of the senior when he or she was a baby or toddler. Please use one form per ad.

To order, complete the form provided below and return it in an envelope along with payment and the photo you’d like to use in the ad. Make checks payable to: *Etna High School*. Ads cannot be placed without this completed form. You can also e-mail your message to: *pawprint@svusd.us* and mail payment separately. **The Early Bird parent ad deadline is Thursday, December 20, 2018. The regular parent ad deadline is Friday, January 18, 2019.**

Please write the name of the senior on the back of the photo and write the word “ad” on the back of the photo as well. If you don’t want to write directly on the back of the photo, put the info on a sticky note and stick it to the back of the photo. This will help keep the baby photos separated when the staff is scanning them. *Disclaimer: The yearbook staff will take the utmost care of your photo, but are not responsible for damage or loss.*

If you have any questions or concerns, please contact Lynn Karpinski at 467-3244, ext. 1105 or e-mail her at: *lkarpinski@svusd.us*. Thank you.
