## California Department of Education School Accountability Report Card Reported Using Data from the 2016-17 School Year

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fq/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

### DataQuest

DataQuest is an online data tool located on the [CDE DataQuest Web page](#) that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## School Description and Mission Statement (School Year 2017-18)

Fort Jones Elementary is a comprehensive K-5 school with an onsite state preschool which serves approximately 170 students. We are part of a small, rural, community in Northern California with a population of approximately 660. Fort Jones is nestled in beautiful Scott Valley and is surrounded by mountains, lakes, and forests. Employment consists of farming, numerous cottage industries, small-scale logging, Scott Valley Unified School District, California Department of Fish and Wildlife, and U.S. Forest Service. We are a part of the Scott Valley Unified School District and are one of two feeder schools to the junior high school. Our district also houses a high school, continuation school, and a community day school, in addition to two state preschools, two elementary schools, and one junior high school.

The Mission of Fort Jones Elementary, in partnership with students, parents, staff and community, is to provide each student with: An approved state adopted CCSS curriculum, challenging goals, timely, effective feedback, and a safe, friendly, and professional learning environment. We have high academic standards and an extremely supportive learning environment. FJE was named a California Distinguished School in 2006, and our state preschool is a Golden Bell Award winner. This preschool jump starts the education of students entering Kindergarten and promotes early identification of students with special needs. By becoming a School-Wide Title 1 school, we are able to better address the needs of our students. Between our Title 1 and RSP services, we are able to offer differentiated instruction time to each teacher on a daily basis. These targeted interventions directly impact student achievement.

Fort Jones Elementary School employs a full-time administrator and a certificated staff of six full time classroom teachers, one 3/5 Title I teacher, a half-time theater arts teacher, a half-time Science Instructor, and a 3/5 Resource Specialist. The classified staff includes a full-time lead maintenance/custodian, a part-time custodian, a full-time cook and two part-time cook's assistants, a part-time library/media/computer technician, a full-time secretary, two full-time classroom aides, one full-time Title 1 Aide, and one full-time RSP classroom aide. It also has part-time services from Speech and Psychological Specialists provided by the Siskiyou County Office of Education. FJES's after school program BASS (Bulldog After School Studies) employs a site coordinator and two aides as well as other enrichment instructors. Our dedicated staff works extremely hard to implement all aspects of the state's standards-based educational system. They are dedicated to the belief that all children will and can achieve. All staff are appreciated and valued by a community that entrusts their children's education to Fort Jones Elementary School.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

#### CAASPP Test Results in ELA and Mathematics for All Students

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.
