California Department of Education School Accountability Report Card Reported Using Data from the 2015-16 School Year

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fq/aa/lc/>.
- For additional information about the school, parents/guardians, and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the [CDE DataQuest Web page](#) that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

Regina Hanna

 Principal, Scott River High

About Our School

Welcome to Scott River High School. It is a privilege to serve the families of Scott Valley as principal of Scott River High School. This School Accountability Report Card is designed to provide an understanding of our school's programs, progress and needs. At Scott River High School, we offer students a quality education in a safe, small, and supportive environment. Students are provided with opportunities that promote academic achievement and character development, equipping them with the skills necessary to be responsible and productive citizens.

At SRHS we understand that all students learn differently and may not be suited for the regular education program. We provide a small class size and a more personal setting in which students may receive more instructional assistance. We provide a different instruction delivery system which supports students earning regular high school credits, making up credits, and in some cases, graduating early from high school.

It is a pleasure to be able to offer these alternative styles of education to students within the Scott Valley Unified School District. These alternative forms include our new revamped Adult Education and Independent Study Programs and College of the Siskiyou classes.

School Description and Mission Statement (School Year 2016-17)

MISSION: "ENSURING HIGH LEVELS OF LEARNING FOR ALL STUDENTS"

Scott River High School opened August 29, 1994 and is located in the beautiful Scott Valley, approximately 30 miles southwest of the County Seat of Siskiyou County, Yreka, California. The Scott Valley Unified School District serves an area of approximately 1,500 square miles and is composed of Etna High School, Scott Valley Junior High, Scott River High School, Scott Valley Community Day School, Fort Jones Elementary, Etna Elementary, and Scott River Adult Education program.

Scott River High School serves students in grades nine through twelve with an average enrollment of approximately 12 students. The high school's attendance area encompasses all of Scott Valley, Quartz Valley, Sawyers Bar, Cecilville, and the Forks of the Salmon. The major occupations within the community are agriculture, logging, forestry, mining, tourism, and recreational businesses.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Teacher Credentials

Teachers	School			District
	2014-15	2015-16	2016-17	2016-17
With Full Credential	3	4	3	49
Without Full Credential	0	0	0	0
Teachers Teaching Outside Subject Area of Competence (with full credential)	0	0	0	0

Last updated: 12/21/2016

Teacher Misassignments and Vacant Teacher Positions

Indicator	2014-15	2015-16	2016-17
Misassignments of Teachers of English Learners	0	0	0
Total Teacher Misassignments*	0	0	0
Vacant Teacher Positions	0	0	0

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

* Total Teacher Misassignments includes the number of Misassignments of Teachers of English learners.

School Facility Conditions and Planned Improvements

Scott River High School provides a safe, clean environment for students, staff, and volunteers. The maintenance program is administered by SVUSD to ensure that all classrooms and facilities are maintained. Scott River High School moved into new facilities in 2000. The self-contained building includes two academic classrooms, an arts/crafts room, a computer lab, and a central commons area that includes kitchen facilities, an office, a small library, and three handicapped-accessible bathrooms. A small storage building is adjacent to a patio area.

Safety of students and staff is a primary concern of Scott River High School. The school is in compliance with all laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. The school's disaster preparedness plan includes steps for ensuring student and staff safety during a disaster. Fire, disaster and intruder drills are conducted on a regular basis throughout the school year.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. The CAAs have replaced the California Alternate Performance Assessment [CAPA] for ELA and mathematics, which were eliminated in 2015. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in English Language Arts/Literacy (ELA) and Mathematics for All Students

Subject	Percent of Students Meeting or Exceeding the State Standards					
	School		District		State	
	2014-15	2015-16	2014-15	2015-16	2014-15	2015-16
English Language Arts / Literacy (grades 3-8 and 11)	--	--	49.0%	44.0%	44.0%	48.0%
Mathematics (grades 3-8 and 11)	--	--	42.0%	46.0%	34.0%	36.0%

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Last updated: 1/10/2017

ELA - Grade 11

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
All Students	--	--	--	--
Male	--	--	--	--
Female	--	--	--	--
Black or African American	--	--	--	--
American Indian or Alaska Native	--	--	--	--
Asian	--	--	--	--
Filipino	--	--	--	--
Hispanic or Latino	--	--	--	--
Native Hawaiian or Pacific Islander	--	--	--	--
White	--	--	--	--
Two or More Races	--	--	--	--
Socioeconomically Disadvantaged	--	--	--	--
English Learners	--	--	--	--
Students with Disabilities	--	--	--	--
Students Receiving Migrant Education Services	--	--	--	--
Foster Youth	--	--	--	--

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

Last updated: 1/10/2017

Mathematics - Grade 11

Career Technical Education Programs (School Year 2015-16)

It is the goal of Scott River High School that students understand the importance of academic subjects and experience how employees apply subject learning to work situations. The school's programs focus on preparing students to think conceptually, communicate effectively, and apply skills in real-world contexts. Instructional strategies that foster critical thinking, problem solving, leadership, and academic skills to ensure work-readiness skills. Numerous outside speakers are brought in to expand the students' focus toward jobs and vocations.

Professional Development

Professional development is an ongoing focus at the school; teachers continue to learn and improve, just as students do. Staff members build teaching skills by participating in many conferences, courses, and workshops throughout the year and then sharing their experiences and knowledge with their colleagues. The district offers three staff development days. Staff development topics include:

- District articulation between curriculums
- Intervention strategies
- California Common Core Standards teaching strategies in English, Math, and Literacy in History/Social Studies, Science, and Technical Subjects
- Carnegie Training Math
- ABEG Summit
- Social Science Workshop
- CARS
- Positive Prevention Curriculum
- ACT Curriculum
- Autism Training
- Applied Behavioral Analysis Training
- SEIS Training
- Oregon Shakespeare Workshop
