You may need Glasses!

Your school nurse can give your child an eye exam to determine if you need to see an ophthalmologist. If it is determined that this is where you need to go, it may be covered by Medi-Cal/Healthy Families, including the cost of the glasses. It's easier than you think!

Talk with your child's school nurse, Diana Barden

Use the following list of Ophthalmologist's in your area:

Yreka
Dr. Terry Williams
842-5705

Mt. Shasta
Shasta Vision Center
926-2033
